

# Daisies

## Katy Perry

Told them your dreams and they all started laughing  
I guess you're out of your mind till it actually happens I'm the small town

One in seven billion

Why can't it be me? They told me I was out there

Tried to knock me down

Took those sticks and stones

Showed 'em I could build a house

They tell me that I'm crazy

But I'll never let 'em change me

Till they cover me in daisies

Daisies, daisies

They said I'm going nowhere

Tried to count me out

Took those sticks and stones

Showed 'em I could build a house

They tell me that I'm crazy

But I'll never let 'em change me

Till they cover me in daisies

Daisies, daisies When did we all stop believing in magic?

Why did we put all our hopes in a box in the attic? I'm the long-shot

I'm the Hail Mary

Why can't it be me?

They told me I was out there

Tried to knock me down (Knock me down)

Took those sticks and stones

Showed 'em I could build a house

They tell me that I'm crazy

But I'll never let 'em change me

Till they cover me in daisies

Daisies, daisies They said I'm going nowhere

Tried to count me out

Took those sticks and stones

Showed 'em I could build a house

They tell me that I'm crazy

But I'll never let 'em change me

Till they cover me in daisies

Daisies, daisies Yeah

Yeah-eh-eh-eh, eh-eh-eh, eh-eh-eh (Cover me in daisies)

Yeah

Yeah-eh-eh-eh, eh-eh-eh, eh-eh-eh I'm the small town

One in seven billion

Why can't it be me? They told me I was out there

Tried to knock me down  
Took those sticks and stones  
Showed 'em I could build a house  
They tell me that I'm crazy  
But I'll never let 'em change me  
Till they cover me in daisies  
Daisies, daisies They said I'm going nowhere  
Tried to count me out (Count me out)  
Took those sticks and stones  
Showed 'em I could build a house  
They tell me that I'm crazy  
But I'll never let 'em change me  
Till they cover me in daisies  
Daisies, daisies
