

Next To You

Little Big Town

Babe, I don't wanna talk right now
Stop, I need a little space
Ohh, ohh Wait, didn't mean to say it like that
Stay, a little longer please
I sleep a little deeper when you're next to me Don't you know
You're the fire in my bones
You're my heart and my home
Ohh And I know
I don't say it enough
I've been down on my luck
My love
But I'll be fine in the morning
Next to you
Oh, think I'm losin' my mind again
Go slow touch me like you do
Love, come a little closer now
I breathe a little deeper when I'm next to you And don't you know
You're the fire in my bones
You're my heart and my home
Ohh And I know
I don't say it enough
I've been down on my luck
My love
But I'll be fine in the morning
Next to you
Ohh, ohh, ohh
Ohh, ohh, ohh
Ohh, ohh, ohh, ohh
Ohh, ohh, ohh
Ohh, ohh, ohh
Ohh, ohh, ohh, ohh Next to you
Ohh, ohh, ohh
Ohh, ohh, ohh
Ohh, ohh, ohh, ohh Next to you
Ohh, ohh, ohh
Ohh, ohh, ohh
Ohh, ohh, ohh, ohh Next to you
Ohh, ohh, ohh
Ohh, ohh, ohh
Ohh, ohh, ohh, ohh Next to you
Ohh, ohh, ohh
Ohh, ohh, ohh
Ohh, ohh, ohh, ohh I'll be fine in the morning
