

At Your Best (You Are Love)

Aaliyah

Let Me Know Let Me Know

Let Me Know

Let Me Know

Let Me Know

When I feel what I feel, sometimes it's hard to tell you so You may not be in the mood to learn
What you think you know

There are times, when I find, you wanna keep yourself from me

When I don't have the strength, I'm just a mirror of what I see

But at your best, you are love

You're a positive motivating force within my life Should you ever feel the need to wonder why

Let me know, Let me Know

Laaaaa hahh Let me know

When you feel, what you feel, oh how hard for me to understand So many things have taken
place before this love affair began

But If you feel, oh like I feel, confusion can give way to doubt

For there are times when I fall short of what I say, what I say I'm all about, all
about

But at your best, you are love You're a positive motivating force within my life Should you ever
feel the need to wonder why

Let me know, Let me Know

Listen

Tell Me what it is (Tell me what it is)

There's no need to make believe (make believe, no need to make believe)

Look beyond your words (look beyond your words)

Try to find a place for me (Try to find, find a place for me)

'Cause at your best, you are loved

You're a positive motivating force within my life

Should you ever feel the need to wonder why

Let me know, Let me Know

Let Me Know

Let Me Know

See, stay at your best baby
