

# Moth To A Flame

## Swedish House Mafia & The Weeknd

[Intro]

Oh-woah  
Woah-oh-oh  
Woah

[Verse]

Like a moth to a flame  
I'll pull you in, I pulled you back to  
What you need initially  
It's just one call away  
And you'll leave him, you're loyal to me  
But this time, I let you be

[Pre-Chorus]

'Cause he seems like he's good for you  
And he makes you feel like you should  
And all your friends say he's the one  
His love for you is true

[Chorus]

But does he know you call me when he sleeps?  
But does he know the pictures that you keep?  
But does he know the reasons that you cry?  
Or tell me, does he know where your heart lies?  
Where it truly lies

[Interlude]

Yeah

You should be with him, I let you go from time  
You should stay with him

[Pre-Chorus]

'Cause he seems like he's good for you  
And he makes you feel like you should  
And all your friends say he's the one  
His love for you is true (Hey)

[Chorus]

But does he know you call me when he sleeps? (No, no)  
But does he know the pictures that you keep? (Oh)  
But does he know the reasons that you cry?  
Or tell me, does he know where your heart lies?  
Where it truly lies

[Outro]

Right here with me, babe

Where it truly lies

My bed, babe

Where it truly lies

In my arms, babe

Where it truly lies

Where it truly lies

Where it truly lies

(Hey)

Where it truly lies
